Dear Tony,

This is to let you know that I now have a Living Will. Since I know it is difficult for you to leave Babette, and get down here, I have appointed my very good friend Mike Vogelmann and our cousin Jon to be Medical Power of Attorney. I have provided them with your contact info and am now providing you with theirs.

My wishes are known to both of them.

That said, you are designated next of kin at my doctor's office and also at Penn Medicine (all U of P) Hospitals.

My doctor, Jay Kostman is no longer affiliated with Penn or any hospital, working for the HIV organization Philadelphia Fight. But he knows people at every hospital in the city, and is aware of what my treatment preferences are. So just in case, this is his contact info:

Dr. Jay Kostman
John Bell Health Center
1207 Chestnut St.
Philadelphia, PA 19107
Phone: (267) 725-0252 x363
Cell: (609) 954-0415 (emergency only)
Email: jkostman@fight.org

Don't worry, there is absolutely no change in my health. But now being in the second half of my sixties, I decided to put certain affairs in order.

Hope you're doing okay.

Love,
